

WING SO BARRISTER

Call: 2020

T: +852 2532 6717

E: wing.so@redechambers.com

Wing mainly focuses on international commercial arbitration and cross-border litigation, including maritime, aviation, and construction disputes. He is known for his expertise on costs and complex jurisdictional disputes, and most frequently instructed in cases involving Chinese SOEs and/or entities from Russia, Ukraine, or other CIS Countries, and increasingly, MENA countries. More recently, he has been involved in various investor-state arbitration cases.

Due to his experience in legal academia and university management, he has a background in higher education law, and Islamic and Hindu succession law. He also regularly advises on public international law, such as WTO law, diplomatic immunity, and state contracts.

Prior to joining the Hong Kong Bar, Wing has been a legal academic conducting research and teaching around the globe since 2010, including at Oxford, New Delhi, Luxembourg, Moscow, Kazan, Beijing, and Hong Kong, and previously acted as a legal advisor and expert witness for private clients for years in this capacity. He was formerly a judicial assistant of the Court of Final Appeal, and also served under the judge-in-chief of the Construction & Arbitration List of the High Court of Hong Kong. He also acts as an arbitrator.

He is one of the co-authors of the leading English textbook on the law of costs, *Friston on Costs* (4th edn OUP 2023), building upon his doctoral research on the area. He was appointed as a foreign legal expert by the Ministry of Science & Technology of the PRC government since 2019. Outside of his practice, he continues to regularly give lectures and supervise postgraduate and doctoral students from various law schools in PRC and Russia on civil procedure and international arbitration. He is currently a Distinguished Professor and Graduate Supervisor for civil procedure and international arbitration at the China University of Political Science & Law in Beijing.

RECENT HIGHLIGHTS

He acts as sole advocate in arbitration frequently, and his recent highlights include:

- **ICC Arbitration:** successfully acting for a PRC Central SOE for a URDG-758 claim in excess of 100 million Euros over assets in Crimea against a Russian bank under the control of the Ukrainian government (governing law: English law / Ukrainian law)
- **Investment Arbitration:** pre-action advice on merits for a PRC corporation on BIT claims against a certain CIS country (ongoing)
- **Investment Arbitration:** advising a company on claims against the Republic of Indonesia under the HK-ASEAN Free Trade Agreement

Given his academic background and training in comparative law, he often acts in cases fully or partially governed by civil law such as:

- **HKIAC Arbitration:** acting for a Swiss manufacturer against a PRC corporation on the sale of photovoltaic cell coating machinery (governing law: Swiss law)
- **HKIAC Arbitration:** acting for a PRC SOE against a Korean-American joint venture in an HKIAC arbitration on the acquisition of an Automobile manufacturing line

OTHER NOTABLE CASES

Sanctions

Wing frequently advises Russian / CIS entities and individuals, whether Russian / CIS or those seeking to trade with them (e.g. PRC SOEs and foreign corporations) to navigate through global sanctions risks. Wing also advises law firms and other professionals on the risk arising from accepting work due to these regulations.

- Representing a high net worth Russian individual in his claims against a Hong Kong bank for frozen assets
- Advising various Russian entities in the energy factor on sanction risks arising from its business model, and redrafting their commodities agreement to fit into Hong Kong law and Hong Kong arbitration
